Working On

Currently working on two different research projects in the field of deep learning.

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER SCIENCE & ENGINEERING (BS CSE)

Institute: North South University

Passing Year: 2021

Major: CSE

Specialized Trail: Artificial Intelligence (AI)

CGPA: 3.53/4.00 (with distinction **Cum Laude**)

Higher Secondary Certificate (HSC)

Institute: Notre Dame College

Passing Year: 2016

Group: Science

GPA: 5.00 /5.00

Secondary School Certificate (SSC)

Institute: Willes Little Flower School

Passing Year: 2014

Group: Science

GPA: 5.00 /5.00

EXPERIENCE

North South University

- Research Assistant : 2021 – Present (Part-time)

GRABSOFT IT AND SOFTWARE FIRM

- Web Developer: 2020 – Present (Part-time)

AID ACADEMY

- Script Evaluator: 2016 – 2017

TECHNICAL SKILLS

General skills:

- Public speaking and efficient communication skill.
- Good leadership quality and adaptable in every situation.
- Ability to handle various kind of people.

Computer and technical skills:

Specialization: Artificial Intelligence (AI), Machine Learning, Deep Learning

Coding skills: Java, C programming, Assembly language, Python, HTML5, CSS

Web Frameworks: Django, Bootstrap, Laravel

Database: Firebase, MySQL

MS Office: MS Word, MS Powerpoint, MS Excel

Editing skills: Adobe Photoshop CC, Adobe Lightroom
